April 2005 - The following is a description of the Nonresident Corridor Closure in GMU 17B established by the Alaska Board of Game. This regulation takes effect on July 1, 2005. This is not a comprehensive list of all the regulations. It is your responsibility to read the Alaska Hunting Regulations carefully for complete information.

CARIBOU

The area extending two miles on either side of, and including, the following rivers is CLOSED to nonresident hunting for caribou:

- 1) Nushagak River beginning at the southern Boundary of Unit 17B and extending north to the Chichitnok River, and including Harris Creek, Klutuspak Creek, King Salmon River and the Chichitnok River
- 2) Mulchatna River upstream to the mouth of the Chilchitna
- 3) Nuyakuk River extending west up to the falls
- 4) Koktuli River up to the mouth of the Swan River, and
- 5) Stuyahok River to the confluence of the East/West Forks

MOOSE

In the area extending two miles on either side of, and including, the following rivers, nonresidents hunting for moose are required to have a registration permit:

- 1) Nushagak River beginning at the southern Boundary of Unit 17B and extending north to the Chichitnok River, and including Harris Creek, Klutuspak Creek, King Salmon River and the Chichitnok River
- 2) Mulchatna River upstream to the mouth of the Chilchitna
- 3) Nuyakuk River extending west up to the falls
- 4) Koktuli River up to the mouth of the Swan River, and
- 5) Stuyahok River to the confluence of the East/West Forks

Permits available first-come first-served to nonresident moose hunters for the 17B river corridors only at the Dillingham office of Alaska Dept. of Fish & Game, July 15 through August 31. Permits issued during normal office hours (8:00 am through 5:00 pm), Monday through Friday. Permits issued in person, to hunters who will have to sign an affidavit acknowledging their understanding of permit condition orientation, regulations, and understanding of corridor boundaries. Hunters will be required to possess a current Alaska hunting license and moose big game tag to receive permit. A maximum of 75 permits will be issued.
